MESSAGE FROM

MANAGING DIRECTOR

Sui Northern Gas Pipelines Limited (SNGPL) held its Corporate Briefing Session in a local hotel at Lahore. The event was well attended by analysts, investors and shareholders, both in person and via Zoom. We welcomed the participants and highlighted the Company's celebration of its 60th anniversary. We provided an overview of SNGPL's performance and its strategic outlook for the future. Moreover, key achievements were presented to the participants for the fiscal year 2022-23, noting a remarkable reduction in Unaccounted-for Gas (UFG), which dropped to 5.15% from the previous year's 5.58%.

As we continue to navigate the ever-evolving landscape of energy sector, one thing remains clear: our greatest asset is our people. Each of you brings unique talents, perspectives and skills to our organization and it is essential that we invest in your growth and development to fully harness that potential. Training and development play a crucial role in not just enhancing individual capabilities but also in driving our collective success. By committing to continuous learning, we empower our workforce to stay ahead of industry trends, embrace innovation and ultimately deliver exceptional results for our consumers.

Let us also pray for the departed soul of our colleague Qaisar Masood, Senior General Manager (Compression). I would also like to express my profound grief on his untimely demise. May Allah bless him and our Company!

# COVER STORY

## SUI NORTHERN'S CORPORATE BRIEFING SESSION HELD AT LAHORE

Sui Northern Gas Pipelines Limited (SNGPL) held its Corporate Briefing Session in September at Faletti's Hotel, Lahore. The event was well attended by analysts, investors, and shareholders, both in person and via Zoom. Amer Tufail, Managing Director SNGPL, welcomed the participants and highlighted the Company's celebration of its 60th anniversary. He provided an overview of SNGPL's performance and its strategic outlook for the future.

The Chief Financial Officer, Kamran Akram, presented key achievements for the fiscal year 2022-23, noting a remarkable reduction in Unaccounted-for Gas (UFG), which dropped to 5.15% from the previous year's 5.58%. This achievement places SNGPL on par with leading global gas utilities. The Company reported an after-tax profit of Rs. 10,564 million, translating into earnings per share (EPS) of Rs. 16.66. Revenue for the year exceeded Rs. 1.0 trillion. Moreover, SNGPL expanded its operations to Gilgit, supplying

Synthetic Natural Gas (SNG) through the installation of an LPG-Air Mix plant.

During the session, participants were also informed of the Company's ongoing efforts to further reduce UFG at a micro level through the installation of metering facilities at the Town Border Stations (TBS) level, along with other digitization initiatives aimed at improving operational efficiency.

Addressing SNGPL's significant role in the country's energy landscape, the management underscored that the Company fulfills 25% of Pakistan's energy demand. The participants were briefed on the successful integration of 30 MMCFD gas from Wali well discovery in the challenging terrain of Lakki Marwat. Moreover, the Company is on track to add an additional 100 MMCFD gas to the system from further discoveries in the region. In addition to its contributions to the nation's energy needs, SNGPL also reaffirmed its commitment to corporate social responsibility, supporting various initiatives to assist underprivileged citizens.

## PUBLIC HEARINGS BY OGRA ON SNGPL'S PETITIONS REGARDING DETERMINATION OF TRANSPORTATION TARIFF FOR TRANSMISSION AND DISTRIBUTION NETWORK FY 2021-22 TO FY 2024-25

In response to the petitions filed by SNGPL for determination of Transportation tariff to be charged to third-party shippers on its network, Oil & Gas Regulatory Authority (OGRA) conducted public hearings in Karachi, Lahore and Peshawar. Transportation tariff in respect of financial years 2021-22, 2022-23, 2023-24 and 2024-25 was computed separately for transmission and distribution segments as per Third Party Access Rules, 2018.

Public hearing in Karachi was conducted at the Head office of SSGCL, while in Lahore it was conducted at SNGPL Head Office. In Peshawar the event was hosted at a local hotel. In the hearing at Lahore, MD SNGPL, while delivering opening remarks appreciated the OGRA for giving the

Company an opportunity to present the case. MD SNGPL was assisted by Kamran Akram, Chief Financial Officer and Kanwal Wazir, General Manager (Regulatory Affairs) who gave a detailed presentation on different aspects of the petition.

The Authority was requested to approve the actual tariff rates for FY 2021-22 and FY 2022-23, and provisional tariff rates for FY 2023-24 and FY 2024-25 enabling the company to settle its accounts with the Third-Party Shippers. Interveners belonging to different consumer categories also presented their viewpoints. The public hearings ended with concluding remarks by the Honourable Chairman OGRA.

# OBITUARY

In Memory of  
**LATE. QAISAR MASOOD**  
Senior General Manager (Compression)

## A DEAR DEPARTED

### GONE FROM OUR SIGHT BUT NEVER FROM OUR HEART

Every soul shall have a taste of death "To Allah we belong and to Him we return." The remembrance of our loved ones is the only consolation we have once they are gone.

Late Qaisar Masood, Senior General Manager (Compression) had an exceptionally outstanding academic background. After graduation in Civil Engineering in 1991, he obtained three Master Degrees in different Engineering fields from UET Lahore i.e. MSc. Civil Engineering (Specialized in Structure) in 1998, MSc. IT / Computer Sciences in 2004 and MSc. Engineering Management in 2007. UET syndicate appointed him as Expert on Board of Studies.

During his 31 year career, out of which 22 years was with SNGPL, he had fully demonstrated technical, managerial, administrative and leadership skills with the utmost integrity and result oriented approach.

In SNGPL, he got an opportunity to have multi-dimensional and versatile experience involving both Engineering and General Management. He served as SGM (Distribution) and SGM (Compression). He remained Regional Head in six Distribution Regions and as an Incharge in three Regions. The ripple effect of positivity and change he created for us will be long remembered and attributed to him. He was enriched with live sense of practical work which kindled the Company over the path of new vision.

During his hospitalization, best possible treatment was carried out but no one can change what was destined. He bravely fought against the disease till the very end.

The Management and employees of SNGPL are deeply saddened over the demise of Qaisar Masood. Our heart and prayers go out for him and bereaved family. May our prayers help in comforting the journey of his soul to Heavens.

## SUCCESSFUL ISO 45001:2018 RECERTIFICATION AUDIT AT SNGPL HEAD OFFICE

Sui Northern Gas Pipelines Limited (SNGPL) Head Office has successfully completed the recertification audit for ISO 45001:2018, marking a significant milestone in the Company's ongoing commitment to occupational health and safety. The audit, conducted by a certified external body M/s URS, thoroughly assessed the Company's adherence to the stringent requirements of the international standard. This achievement is a testament to SNGPL's unwavering dedication to creating a safe and healthy work environment, reflecting the organization's proactive approach to managing risks and ensuring the well-being of its employees.

The successful completion of the ISO 45001:2018 recertification audit underscores SNGPL's commitment to maintaining high standards of occupational health and safety. Throughout the audit process, SNGPL demonstrated its ability to effectively implement and continuously improve its

Occupational Health and Safety Management System (OHSMS). This system not only complies with legal and regulatory requirements but also goes beyond them, ensuring a culture of safety that permeates all levels of the organization. The audit highlighted SNGPL's robust safety procedures, employee training programs, and risk management strategies, all of which contribute to minimize workplace hazards and incidents.

This accomplishment reflects SNGPL's core values and its commitment to its workforce. By achieving recertification under ISO 45001:2018, SNGPL has reaffirmed its position as a leader in occupational health and safety within the industry. The successful audit by M/s URS is a clear indication of SNGPL's dedication to the well-being of its employees, ensuring a sustainable and safe working environment that contributes to the company's long-term success.

# TRAINING & DEVELOPMENT

## 61<sup>ST</sup> EXECUTIVE DEVELOPMENT PROGRAM

SNGTI successfully concluded its 61st Executive Development Program, held from August 5 to August 28, 2024. This comprehensive training initiative provided participants with in-depth sessions on the core operations of various departments, equipping them with crucial insights into the company's functional landscape. Additionally, the program emphasized the development of essential soft skills, ensuring a

holistic approach to leadership and professional growth.

The Executive Development Program is a cornerstone of SNGTI's commitment to fostering talent and preparing future leaders for the dynamic challenges of the energy sector. Through these initiatives, participants not only gain technical knowledge but also enhance their strategic thinking and interpersonal capabilities.

# EVENT

## INDEPENDENCE DAY CELEBRATIONS AT SNGPL DAY CARE CENTRE

**Tabinda Zia**

To cherish the spirit of patriotism on the event of Independence Day of Pakistan, a vibrant and engaging ceremony was held at SNGPL Head Office, day care center. Little builders of nation were instructed a dress code and they all wore colours of the national flag. The space was decorated vividly in green and white with balloons and pennants. Kanwal Wazir, General Manager (RA) graced the occasion as a distinguished guest. She commended the day care committee and everyone involved for their efforts in creating a welcoming and hygienic environment for the children.

The event featured a cake cutting ceremony packed with fervour and enthusiasm of little stars, as they chanted national slogans energetically. Small tokens of delight were also arranged for the kids which were distributed by the distinguished guest

among the eager youngsters. She emphasized the importance of such events in fostering a culture of sharing and celebration among young minds.

Female executives and staff members, whose children are regular attendees of the day care center, also participated in the festivities, enjoying the excitement alongside their kids. The children relished the cake and refreshments, thoroughly enjoying their time with their peers.

Hence, it was as short, yet fun filled afternoon equally cherished by guests and the kids. From a mother's perspective, such events contribute towards inculcating the importance of national / religious festivities in young minds in a fun and memorable way.
