

Mitigating COVID-19 Pandemic

SNGPL is standing with the government in current pandemic situation and has contributed Rs. 38 million to Prime Minister's relief fund for this cause.

SNGPL adopts best hygiene practices in line with the guidelines issued by respective Health authorities.

- Maintaining Social Distancing
- Wearing of Personal protective equipments including masks, gloves, full body suits, face shields etc
- Hands Hygiene – Washing with soap / use of sanitizer
- Use of disinfectant
- Infrared thermometer for temperature scanning
- Consumers / Visitors Awareness
